Hello All,

I hope everyone is doing well. As many of you guys know a few cities can start moving in phase 3 (including Mississauga). We are happy to announce that we are accepting eyebrow waxing, facials, and eye-lash extension appointments!

Even though in stage 3 the restrictions are going to be loosened, we are still implementing the guidelines that are still in place to ensure everyone's safety. If you're unaware about the changes that we have implemented into our salon, I highly suggest reading our updates and guidelines.
